Gateway Engineering, Inc. Online Privacy Policy

Gateway Engineering, Inc. is committed to maintaining your confidence and trust, and accordingly maintains the following privacy policy to protect personal information you provide online.

You may give us personal information about you, such as your name, contact email and other contact details through email inquiries from our website. This privacy policy describes how we collect and use your personal information.

How and where we collect personal information:

Inquiries through emails

How we use your personal information:

The information you give us is absolutely safe with us. We will never sell, rent, share or disclose your personal information to any other parties.

Confidentiality Policy

It is our policy that personal information, such as your name, postal address, email address and telephone number, is totally private and confidential. The personal information that you provide through email inquiries is stored in a secure location and is accessible only by the Gateway Engineering staff, and used only for the purpose for which you provide the information (such as to reply to your email).

No Release of Information to Other Parties

Personal information will not be released to any other parties. There are absolutely no circumstances under which we will provide or sell your personal information to any other parties.

No Computer Tracking of Identifiable Information

Our computer is not configured to collect, track or distribute personal information about our visitors. It does recognize the home server of visitors, but not email addresses and other identifiable information. We can tell which ISP our visitors use, but not visitor names, visitor addresses or other visitor information that would allow us to identify the visitors to our site. This information is not used for any purpose.

Through the use of a hit counter, our website tracks information about the number of visits to our website. Our hit counter compiles statistics

that show the daily number or weekly number of visitors to our site and which countries hits come from. These statistics do not contain personal information and cannot be used to gather any personal information.

Acceptance of this Privacy Policy

By sending us email inquiries, you agree to and accept the above listed terms. Gateway Engineering respects an individual's right to privacy.
